

# Eligible Local Authority Areas in England

**Eligibility is based on the communities and young people you support, rather than head office location.** To be eligible, you must be delivering services for young people who are based within one of the key geographical areas below (top 3 deciles of the IMD).

**There is no minimum threshold for the number of young people supported,** if your organisation supports even one young person from any of the eligible locations below, you are eligible to apply.
