

Festive fundraising with UK Youth

This winter, your fundraising – big or small – will help us support our network of over 8,000 youth organisations.

Here are some ideas of how you can raise money for UK Youth, all whilst you have loads of festive fun!

End of year quiz

Wrap up the year with a festive quiz! Team up or go head to head with your colleagues and find out who knows the most festive facts. Whether at the pub, the office or your kitchens, just get your questions at the ready, collect an entry donation for UK Youth and get quizzing!

Jolly jumper day

Celebrate the festive season in style – set a date, get your office to crack out their cheesiest festive knitwear and ask for donations to UK Youth. If you fancy adding some healthy festive competition, give awards for best dressed, most creative, or jolliest jumper and hold a vote!

Festive Bake-sale

There's no festive season without sweet treats! Organise to bring your homemade favourites and sell them to your colleagues. Munching with a purpose.

Gift Wrapping Party

Gift wrapping can be an arduous task, so why not offer to do this in exchange for a donation!

London to Lapland dash

Walk, run or cycle the distance from your office (or your local youth organisation) to Lapland this December to raise money for UK Youth. If colleagues don't fancy getting involved, encourage them to donate £1 for every mile they forgo!

Offer a 'local Santa' service

Parents deliver presents for their child to you, plus a donation, and on Christmas morning Santa delivers it to their house.

Wine and cheese night

Invite colleagues to hold a cheese and mulled wine evening after work – virtual or at the office – charge a small entry fee and donate it to UK Youth.

Secret Santa

Planning a secret santa gift exchange this year? Why not ditch the £5 spending limit - set the max spend at £4 and have everyone donate that spare £1 to UK Youth.

£10 could provide a youth worker with training and resources to help tackle inequality and encourage safer communities

£20 could enable youth workers to support young people to tackle loneliness and improve their wellbeing

£50 could enable a youth worker to teach basic digital skills to young people who are digitally excluded
