Reports to Youth Development Project Manager

Department: Network Delivery

Purpose of the role

This is a great opportunity for someone who's passionate about supporting the delivery of the youth engagement strategy for the #iwill Movement and ensuring they are at the centre of our work at UK Youth.

Reporting to the Youth Development Project Manager, you will support the development and delivery of opportunities for young people to engage in our work towards our collective goals. Working within the Network Delivery department, you will be responsible for organising and delivering a range of projects and workstreams to enable young people across the UK Youth and #iwill Movement to express their views, have them listened to and to create positive change. You will create positive relationships with young people, so that our work is driven by their voices and experiences, helping to develop and deliver a range of opportunities and activities to build and engage networks of young people. You will help empower young people to become active citizens and create positive change, by creating innovative ways for young people to engage in various networks through volunteering, social action and campaigning projects.

Why work at UK Youth?

UK Youth is a leading charity that exists to ensure all young people are equipped to thrive and empowered to contribute at every stage of their lives. We work with others to ensure that the youth sector is strengthened, supported, and that provision is youth-led, evidence-informed and delivers high-quality outcomes.

#iwill Movement

#iwill invests in young people's talents and helps them to build stronger communities through their youth social action projects, while supporting their wellbeing.

The #iwill Movement is a collaboration of over 1000 organisations and 700 young #iwill Ambassadors & Champions from across the UK. They are united by a shared belief that all children and young people should be supported and empowered to make a positive difference on the issues that affect their lives, their communities, and broader society.

Key responsibilities

- Support the effective delivery of a programme of development and engagement activities with young people across the #iwill Movement
- Manage the scheduling and organisation of activities across project workstreams, ensuring project management processes are in place to enable excellent standards of delivery
- Facilitate young people to build their skills and confidence so that young people's participation and contribution are maximised and able to express their views
- Support the growth of a diverse range of networks involving young people across all UK regions, including with our nation partners. Working in partnership, develop the networks to be outcomes-focused and self-led on digital platforms
- Develop relationships with a range of stakeholders which may include youth workers and leaders of youth organisations, young people, nation partners, funders, and cross-sector leaders to create and deliver an inclusive programme for young people
- Working closely with colleagues across the charity to co-ordinate a range of events and opportunities to provide opportunities for young people to engage and connect with the wider work of UK Youth
- Communicate the benefits of the UK Youth and #iwill Movement and progress against our priorities to organisations and individuals, through a variety of channels, updates and specific marketing campaigns
- Work with the Network Delivery function to support young people to be empowered to lead and share best practise and expertise
- Develop content on agreed digital platforms to engage and connect young people and networks across the UK

Other area of responsibilities

- Working across UK Youth to support high quality youth participation and engagement in line with our strategy
- Support with reporting progress to internal and external stakeholders via meetings, written reports and presentations
- Ensure that all activity and engagement with young people complies with safeguarding legislation, policies and procedures
- Maintain data and CRM of all organisations and young people who are part of the #iwill Movement
- Comply with data protection legislation and act responsibly on matters of data disclosure, both internally and to third parties
- Operate within the agreed business plan and budget to ensure that the department objectives are met
- Attend and participate proactively in staff meetings, team meetings and other meetings as required including 121s and annual appraisals
- Work effectively with colleagues to achieve the aims and objectives of the charity
- Take reasonable care of their own health and safety and for that of others who might be affected by their work, as required by law and described in the relevant operating procedures and policies

- Undertake any other duties and reasonable requests that are in keeping with the nature of this post
