

Job description: Project Officer

Duration: 2 roles – 1 FTC until 31st December 2026 and 1 FTC until 31st March 2027

Salary: O3, London, £32,228

Location: Flexible, some travel

Reporting to: Project Manager

Department: Network Delivery

Key working relationships: Project Managers within Network Delivery, Network Delivery Coordinator, Head of Programmes, Network Delivery department, teams from across the organisation, external stakeholders, including youth organisations and other organisations working with young people in your region.

Purpose of the job

This role creates a positive impact for young people by managing partners through the effective delivery of our youth work programmes, delivering high quality facilitation and training and building excellent relationships across a region to contribute to improvements in our network offer.

Working with Project Managers across Network Delivery, you will enable the effective delivery of our provision to the youth sector through effective contract management and support for partnerships with Delivery Partners and Grantees. You will deliver high quality training and facilitated sessions, translating curriculum and content into engaging and effective delivery. Working within a specific geographical location you will pro-actively build relationships with organisations and networks and foster connections that will help to unlock youth work for all young people. You will gather insights from across your region to feed into and contribute to the development of our offer to our network.

Why work at UK Youth?

UK Youth is a leading charity that exists to ensure all young people are equipped to thrive and empowered to contribute at every stage of their lives. We have influence as a sector-supporting infrastructure body, a direct delivery partner and a campaigner for social change. As outlined in our 2025 #unlockingyouthwork strategy, we believe youth work is a catalyst for change that young people need now more than ever. We play a unique role in addressing; the lack of investment into the youth sector, the lack of cross-sector understanding of how youth work makes a difference and the limited opportunities to embed effective solutions.

We are building a movement of change; galvanising likeminded individuals, organisations, government, and businesses from all sectors, to work together and deliver system change for all young people. Together we will create a society that understands, champions, and delivers effective youth work for all.

Key responsibilities

Programme delivery

- Account and contract management of relationships with a portfolio of Delivery Partners and Grantees within your geographical location
